

Information about FCC

Mission Statement: To assist DoD military and civilian personnel in balancing the competing demands of the accomplishment of the DoD mission and family life by managing and delivery a system of quality, available, and affordable programs and services for eligible children and youth birth through 18 years of age.

Seymour Johnson FCC Program offers quality child care in nurturing and supportive home environments for military children ages 2 weeks - 12 years old.

All providers meet the Department of Defense, Air Force and SJAFCB requirements. All providers are monitored and observed at least monthly to ensure compliance with fire, safety, health, and developmentally appropriate practices.

All providers residing on the installation are certified by the Mission Support Group Commander to provide child care in their homes. Affiliated providers residing off the installation must receive North Carolina state licensing prior to receiving affiliation by the Mission Support Group Commander.

ADVANTAGES OF BEING A PROVIDER

- **SELF EMPLOYMENT** - You will have the opportunity to be your own boss! Set your own hours and fees. You will work from home and have the ability to care for your own children while contributing to your family income.
- **RESOURCE LIBRARY** - You can borrow most items to set up and operate a FCC home . . . **FREE!!!**
- **TRAINING** - You will receive free orientation training and on-going professional development. The FCC staff will assist in you obtaining your home accreditation through the National Association of Family Child Care.
- **FOOD PROGRAM** - You may be eligible to participate in the USDA Child and Adult Care Food Program and receive reimbursement for meals served to children (even your own children when they are enrolled in care).

Another benefit is
"having a job that moves with you!"
