MILITARY STAR card designed for military community with active-duty benefits

The MILITARY STAR® card is specifically designed for the military community, with exclusive benefits for active-duty service members.

All eligible active-duty service members and mobilized or activated Reservists or National Guard members who have orders to deploy to qualifying contingency locations are eligible for deployment benefits that include no required payments and a reduced interest rate of 6% during their time away. The reduced APR applies to the card balance as well as new purchases.

Additionally, all active-duty Soldiers, Airmen, Guardians, Marines and Guard and Reserve members have access to the MILITARY STAR Military Clothing

Plan, a \$1,000 line of credit with no interest and no payments for 12 months on qualifying uniform basics.

With the card, service members can build credit responsibly. MILITARY STAR offers fair and flexible terms, including the lowest APR among store cards—a rate that is offered to all cardmembers, regardless of credit score. MILITARY STAR also does not charge annual, late or over-limit fees.

“The military benefits of the card are a hallmark of MILITARY STAR’s commitment to ensuring Seymour Johnson heroes’ readiness and resiliency, as well as their financial health,” said Seymour Johnson BX store manager Leazel Williams. “Military life comes with unique

challenges, and the MILITARY STAR card is built to support service members’ lifestyles.”

Other benefits of the card include:

- Rewards program with unlimited 2% rewards earned on purchases. (Rewards exclude the Military Clothing Plan.)
- 5 cents off every gallon of gas at Exchange fuel locations.
- 10% off all first-day purchases for new cardmembers.
- Free shipping on all ShopMyExchange.com and MyNavyExchange.com orders.

In 2022, MILITARY STAR provided a \$435 million annual benefit to the military community worldwide through exclusive card offers and benefits.

The card is accepted at all

About the performers

Derek Hughes

The live performances of celebrated conjurer, "Stand Up Magician" Derek Hughes, have been lauded by audiences and critics alike, with the New York Times calling him "thoroughly entertaining." Hughes has performed his magic on MTV, VH1, Comedy Central, CW's Penn & Teller: Fool Us and the Ellen DeGeneres Show. He's a consulting producer on TRUtv's hit magic series, "The Carbonaro Effect" and was a top ten finalist on NBC's "America's Got Talent."

rePercussion

rePercussion is an extraordinary high-energy comedy drumming event! Going beyond drumming, they blend sight, sound, and comedy to stage an intensely entertaining, mind-blowing, yet customizable experience. Blurring the lines between electronic music, drum line, rock, and slapstick, these artists uniquely combine drumming, comedy, and crowd interaction.

Each show is one-of-a-kind, perfectly tailored to the audience through performer-audience interactions. Crowds quickly get engaged, creating a lasting impression! rePercussion holds the World Record for leading the largest Air Drum Ensemble. Impressive, right? As a group, rePercussion has performed for hundreds of thousands of people in venues worldwide, including Dubai, India, Hong Kong and Omaha! Members have been seen on The Gong Show, America's Got Talent (for 2 seconds!), and VH1 India. They've also shared the stage with Imagine Dragons, 21 Pilots, Stone Temple Pilots, Pentatonix, and Kelly Clarkson.
